### **Pool Information**

The pool at Pierce Park Pool is open seven days a week with hours varying by season. The Pierce Park Pool received new heaters in January 2018. While we can't guarantee 365 days/year swimming due to unanticipated extreme weather conditions, we are now able to expand our swim season into the colder months. The hours are 5:00 am – 10:00 pm. During these months, pool maintenance is at an enhanced level including more frequent chemical treatments and vacuuming.

The pool is for the exclusive use of members of the Daniel Island Community Association and their guests. Guests must be accompanied by the resident.

Please remember to help keep our pools clean by picking up trash. You are reminded that **NO GLASS** containers of any kind are allowed inside the pool gates. We request that smoking take place outside the pool gates.

You must be at least 13 years old to swim unaccompanied by an adult. Parents, please help the lifeguards, when staffed, by keeping a close watch on your children. If your child has any serious medical conditions (ex. Epilepsy) please inform one of the lifeguards. This information could be vital during an emergency situation.

The 3 south end pools (Scott Park, Pierce Park, and Edgefield) use the same access fob. Up to two access fobs per household can be picked up at the POA office at 130 River Landing Drive, Suite 1C from (8:30 am – 4:30 pm, Monday -Friday). We issue two access fobs per homeowner; a replacement access fob can be purchased at the POA office for a fee of \$50.00. Renters should ensure that their landlord has provided a copy of their lease to the POA office as required by the covenants. Access fobs will be automatically disabled when a property is sold.

### **Storm Policy**

The pool will be cleared at the first sound or sight of thunder/lightning, no exceptions. Residents will be asked to remain out of the pool for 30 minutes from the last sound or sight of thunder/lighting.

### **Pool Rules**

It is the goal of the Daniel Island Community Association to provide a safe, clean, and enjoyable environment at its pool facilities. In addition to rules set forth by the South Carolina Department of Health and Environmental Control (DHEC), DICA rules are designed in accordance with that goal in mind.

#### **DHEC Pool Rules**

1. There should be no solo swimming.
2. There should be no running, boisterous or rough play.
3. No persons under the influence of alcohol or drugs should use the pool.
